June 2019

To the Parents/Guardians and Students of Grade One,

We want to welcome you to the Second Grade! The end of the school year is upon us, and it is time that we assign summer reading to our students. To help the children keep up with the skills they have mastered, and to encourage their love for books, we are asking them to read at least two books over the summer.

You will find the suggested book list on the school's website. We ask that the students read one nonfiction book and one fiction book over the summer.

The students will then be expected to choose and complete one activity from the Reading Choice Board (on the school's website). The reading assignment will be due on or before September 10, 2019.

Have a wonderful summer and happy reading! See you in September!

Sincerely,

Second Grade Teachers
